BRAVIA® TV / BLU-RAY DISC PLAYER Bundle Promotion

Promotion Overview: Sony is offering to our authorized retailer base of dealers, a promotional program to drive sales of a **Sony BRAVIA TV and Blu-ray Disc Player**. The details of this opportunity are described below. This program incorporates advertised instant rebate offers and trailing credit components that will help participating retailers maximize their profitability on the selected SKUs(s).

Promotion Period: September 14, 2008 through September 20, 2008

Eligible BRAVIA TV model: KDL52W4100, KDL46W4100, KDL46W4150,
KDL46Z4100/B, KDL46Z4100/S

Eligible Blu-ray Disc Player model: BDP6350, BDP6300

Instant Rebate Offers: Customers purchasing the eligible **Sony BRAVIA TV and Blu-ray Disc Player** models during the Promotion Period on the same receipt will receive an instant rebate of \$200 off at the time of purchase. Sony suggests the authorized dealer advertise a single price bundle and/or a savings of \$200 in connection with this offer incorporating the instant rebate. Discounts/trailing credits under this program are offered and paid only with the expectation that participating retailers are passing a \$200 instant rebate at POS in addition to whatever other promotions or offers are already running and/or planned.

Reporting: At the close of each of the program periods, participating retailers must report their on-hand and sell through quantities of all **Sony BRAVIA TV and Blu-ray Disc Player** Products.

Advertising / Layout Requirements: Subject to the applicable program period for each IRO (Instant Rebate Offer), participating retailers must advertise the applicable Instant Rebate offer at least one time during the Promotion Period (Inclusive) using "traditional advertising vehicles" for that retailer in the normal course of business.

Trailing Credits: Subject to the advertising and other terms set forth above, Sony will pay trailing credits only on eligible models sold during the Promotion Period. Trailing credit amounts (per unit) are set forth below. A participating retailer who does not meet the advertising requirements described above shall not be entitled to receive any Trailing Credits under this program.

Qualifying Product	Trailing Credit Amount (\$/unit sold)
---------------------------	--

KDL52W4100	\$65.00
KDL46W4100	\$65.00
KDL46Z4100/B	\$65.00
KDL46Z4100/S	\$65.00
BDPS350	\$65.00
BDPS300	\$65.00

Program Variances: Sony reserves the right to refuse any and all payments to any participating retailer if any of the program guidelines are not followed. Sony reserves the sole right to decide if a participating retailer has performed according to program guidelines. Deviations from any of the guidelines defined in this Program will need to be submitted to and approved by Sony's Strategic Planning (SSP) team in advance and in writing.

Claim Submission & Payment: All claims submitted to Sony for the trailing credit amounts must be received no later than close of business **December 20, 2008**. Sony reserves the right to reject any trailing credit claims received after this date. Program claims must be submitted as a single package document (participating retailer shall submit all paperwork in a single claim for the entire program). Sony will pay all undisputed claims in full within 30 days.

Claim Contents: Claims to Sony must contain the following data:

1. Sell through of product (unit basis) indicating same ticket sales of qualifying models during the Promotion Period on a by SKU basis. Credits issued by Sony will not for any reason exceed the amounts defined in the Trailing Credit Section above.
2. Debit Memo for the total trailing credit amount being requested from Sony referencing this Sales News.

Action Link will randomly be auditing floors to verify that dealers are in fact passing the discounts through to consumers in addition to whatever other TV and Home Theater promotions they are offering.

Please note that any deviation from these terms and conditions will result in Sony's refusal to pay trailing credits. Participating retailers who elect to engage in advertising practices outside the above defined requirements will not be eligible for the trailing credit payments described above. This program may be terminated or modified by Sony at any time at its sole discretion.
